This year Pipeline is excited to announce that we have partnered with Key Bank to offer a financing option for this year's Prepay Contract. We understand that purchasing all the upcoming year's heating oil during the summer months can be a huge burden. Key Bank is offering an option to help. Simply by checking the Financing option above and returning the signed contract to us, a local Key Bank representative will contact you. Once Key Bank completes the short checklist of items needed over the phone, they will instantly provide you with a decision. Key Bank's Preferred Credit Line can be repaid equally over the next 12 months. Their Preferred Credit Line can also be

renewed free of charge for next year's Prepay Program. This allows you to finance your prepaid gallons each and every year without the need to renew or reapply. You do not need to be a current Key Bank customer nor do you need to open a Key Bank checking account to participate. Upon receipt of this signed contract, Pipeline Petroleum will reserve the gallons for you. If you decide not to finance after speaking with a Key Bank representative and would like to pay via check or credit card, your gallons will still be reserved. This is a new and exciting offer and we anticipate the program will not last long. This offer is only available while supply lasts and will sell out!
